Heritage Rectangular Planter

English SS766

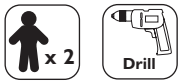

Assembly Instructions

Biocidal Products Regulation EU 528/2012
Wolmanit® CX treated wood, is a treated article incorporating biocidal products: copper hydroxide carbonate, bis(N-cyclohexyl-diazenium-dioxy)-copper and Boric Acid. They protect wood against fungal decay, rot and insect attack. Wear gloves when handling freshly treated wood. Avoid breathing dust when cutting wood. Dispose of off-cuts responsibly.

Before assembly

- We recommend that time is taken to read the instructions before starting assembly, then follow the easy step by step guide. The instruction sheet is only a guide to the assembly. Certain items may not be shown to scale.
- Check all components prior to assembly
- Drill all components where indicated.
- This product should be assembled by two people
- Never attempt to erect the assembly in high winds.
- Please dispose of all packaging responsibly and recycle where possible in line with local authority requirements.

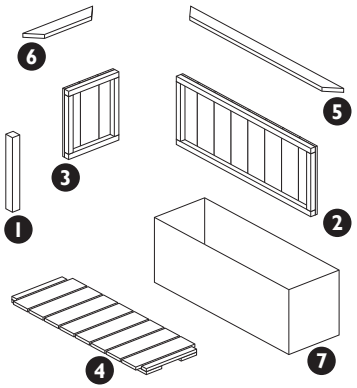

Recommended tools for assembly

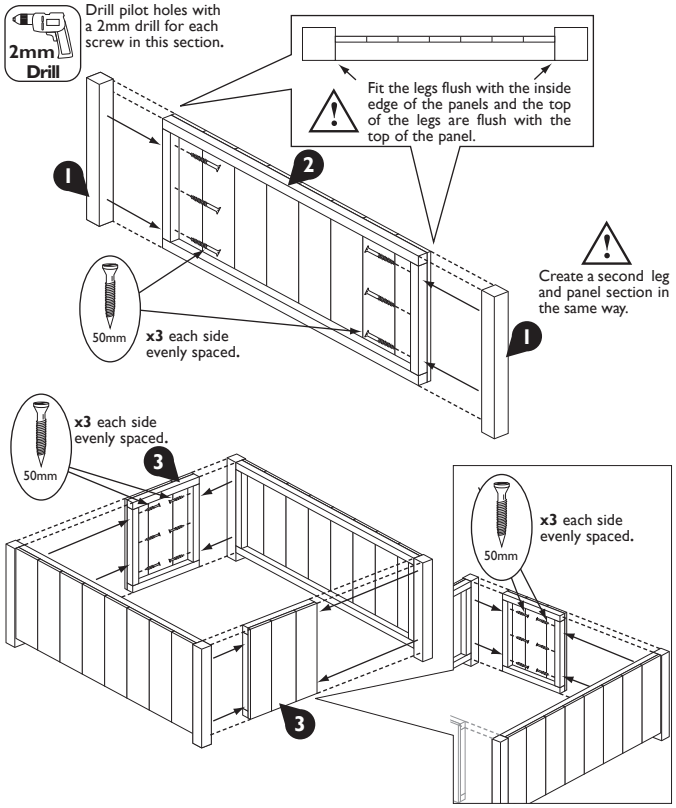

- Power drill/screwdriver
- 2mm diameter drill bit
- Cross head screwdriver bit

No.	Components	Qty.
1	Legs	4
2	Side panel	2
3	End panel	2
4	Floor	1
5	Long top surround	2
6	Short top surround	2
7	Fabric liner	1

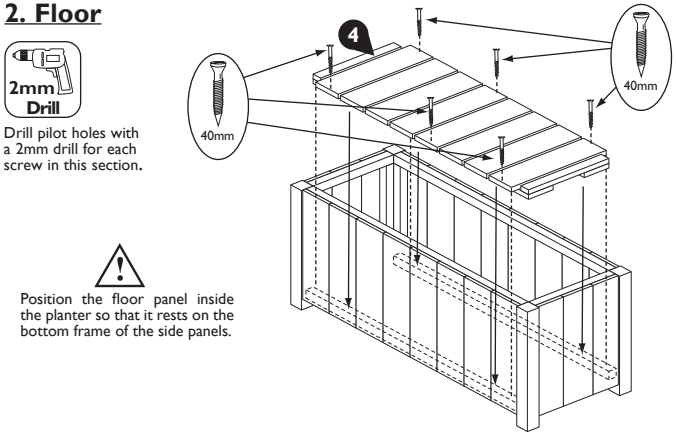

No.	Fixing Kit	Qty.
8	50mm Screws	24
9	40mm Screws	18

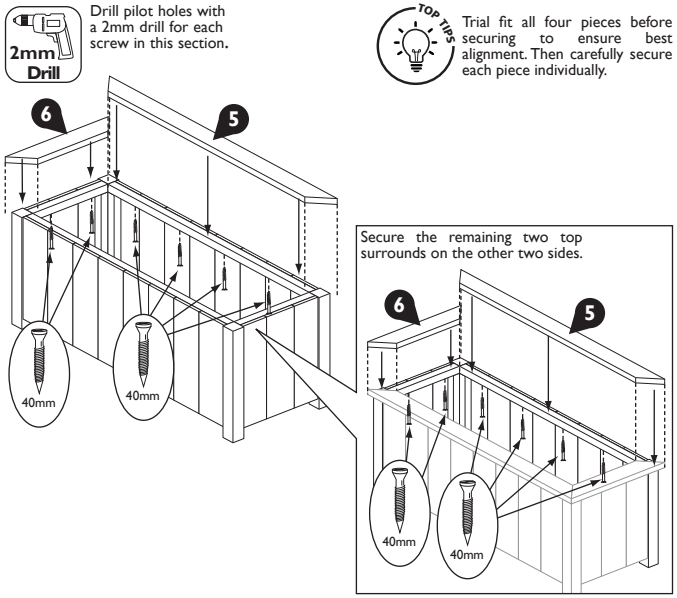

1. Legs and side panels

2. Floor

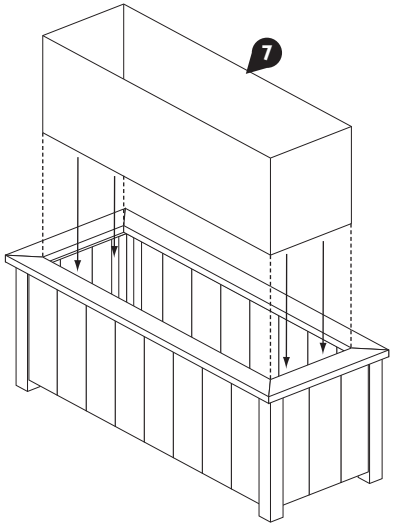

3. Top Surround

4. Fabric Liner

Unfold the liner and place inside the planter. The liner is shaped, ensure the base of the liner is correctly orientated to the base of the planter. Push the sides of the liner out to fit around the planter sides and fill with soil/compost. The weight of the soil/compost will hold the liner in place. If any liner material sits above the top surround, it can easily be trimmed off with a pair of scissors once filled.
If you wish to fix the top edge of the liner in place, this can be stapled or tacked to the panel framing just under the top surround prior to filling.

We constantly improve the quality of our products, occasionally the components may differ from the components shown and are only correct at time of printing. We reserve the right to change the specification of our products without prior notice.
